

Walk and Talk

WITH KEARNEY ACTIVE LIVING

FRIDAY, OCTOBER 13 | 1 - 3 PM

Help us to identify opportunities for safe, enjoyable walking and biking in Kearney.

Gather at the **Kearney Public Library** in the Loup Room.
Walk from there to **Bryant Elementary** and back to the library.

All community members are invited to walk with us. Plan to share input throughout the mileage walk. We will de-brief and discuss next steps for about 30 minutes afterwards.

Kearney Active Living is a group of local volunteers committed to making Kearney a safe and welcoming place to walk and bike for transportation, exercise, and recreation.
