New cases of COVID-19 reported

KEARNEY –Thirty-five (35) new cases of COVID-19 were reported by Two Rivers Public Health Department in the seven-county region it serves for the week of July 16-21. Please check the Two Rivers website for more detailed information for our citizens on current COVID-19.

New cases for this week include:

- Buffalo County – 26
- Dawson County – 2
- Gosper County – 1
- Kearney County - 4
- Phelps County – 2

Remaining vigilant to prevent the spread of COVID-19 is more important than ever. Your hard work and efforts made in your daily lives should be applauded. Changes are extremely hard, but they are important for the future of Nebraska and our citizens. The more steps you and your family can take to prevent the spread of COVID-19, the safer everyone will be.

ABOUT TWO RIVERS PUBLIC HEALTH DEPARTMENT

Two Rivers Public Health Department engages collaborative partners, community leaders and the public to promote healthy lifestyles, provide preventative education, assure environmental quality, and create more healthy and safe communities for all who live within the district.
